Week of Action
To Defend Public Education

Teachers, parents, students and community allies are joining in a Week of Action, June 7-13, to defend public education from privatization and charters, high-stakes testing, and to demand the schools our communities deserve.

The Week's Actions:

MONDAY, JUNE 8

Sticker Day—Educators and allies across the state will wear stickers to work.

TUESDAY, JUNE 9

Lobby Day—Contact your local legislators.

WEDNESDAY, JUNE 10

Social Media Day—Post comments in support of public education on Twitter, Facebook and other social media.

THURSDAY, JUNE 11

Action Day—Local and regional actions are planned around the state.

Join AFT MA, Mass. Teachers Assn., Citizens for Public Schools, Jobs With Justice, local unions and community allies in the newly formed **Massachusetts Education Justice Alliance** to show that our voices matter!
