

Use a sign-up form like this to get signed commitments from individual teachers, parents, community members to participate in the walk-ins! Obviously, you'd fill in your own information—and create a sign-in sheet for each individual school that is planning a walk-in.

WALK-IN WITH US!

Members of the Smithfield School community are planning to show our support for our public schools by participating in a national day of “Walk-Ins” on October 6th.

Please join us as we call for sustainable community schools funding and an end to austerity budgets and demand the schools that all our children deserve!

We will be gathering at the corner of Main and State Streets at 7:00am on Thursday, October 6th. We will walk together from there, down to Smithfield School, arriving at the school around 7:20. We'll hold a brief rally at the school, and at 7:45 sharp, our students and educators will enter the school to begin the regular school day.

Will you join us?
